**Vintri Technologies named one of named Alberta's Fastest Growing Companies**

Calgary, January 8, 2015...Vintri Technologies Inc. ("Vintri") is number nineteen on the Fast Growth 50 List, an annual list compiled by Alberta Venture Magazine that highlights the Province's fastest growing companies.

Vintri, an emerging technology company based in Calgary, Alberta, was founded in March 2012. The company's revenue grew 284% over last year, and employees have grown from 8 to 32. "We're proud to be part of this prestigious list," said Geoff Thompson, President. "Our incredible growth and success is a reflection of the hard work and many hours put in by our team working to implement the Vintri solution which will set the global standard in asset traceability."

The complete Fast Growth 50 list can be found in the January 2015 issue of Alberta Venture.
